

CAREER COUNSELLING PROGRAMMES (2024-2025)

Career Guidance and Counseling Cell aim to guide and direct students to set their career, goals and stimulate them to exercise their consistent endeavors to accomplish their career objectives. Keeping in view the competence, interests, and acquired knowledge of the students, it channels the young trainees to fetch lucrative specialized career. Various sessions are conducted to evaluate the students on the basis of their professional as well as interpersonal skills. The Cell helps them to explore new knowledge and inculcate recent company attitudes amongst them as per the requirements of the global competitive world.

Objectives of Career counseling cell are as follows:

- To help students share knowledge about themselves by identifying skills, and interests.
- To provide information about further course prerequisites, financial aid, academic planning, entrance examinations etc.
- To promote career guidance & counseling through lectures by senior corporate executives and visiting professors.
- Mentoring through an individual counseling.
- To organize seminars on interview skills, personality development, communication skills, leadership skills, resume writing, analytical skills, quantitative ability, verbal and reasoning skills essential to all competitive exams.

The Outcomes of Career counseling cell are as follows:

- ✚ Upon completion of the graduation programme of the students the career counseling cell will have following outcomes:
- ✚ The student will have acquired broad knowledge of various fields and skills necessary for employment.
- ✚ The students will be able to choose a career that matches their aptitude and personality leading to professional success and satisfaction.
- ✚ The students will be aware of various programs for higher studies.

Activities:

The cell also provides need based coaching for various competitive exams. Prominent Career Counsellors within and outside the state are invited to college in frequent manner and arrange close and meaningful interactions of students with them.

Keeping in view the competence, interests and acquired knowledge of the students, the cell conducts various programmes/workshop/sessions during the academic session of 2024-2025 to train and evaluate the students on the basis of their professional as well as interpersonal skills as detailed below:-
