

## Infrastructure and Facilities

The department is equipped with modern infrastructure to facilitate a conducive learning environment. Key features include a spacious and well-lit classroom with departmental library facilities and a well-equipped language lab. The library has a dedicated collection of literary works, critical essays and reference materials to assist the students and teachers in their academic pursuits.

## Teaching Learning Process

As Teaching Learning is a bipolar process, the Department of English follows a dynamic and student centric approach that blends traditional and modern pedagogical processes.
